12 July 2010

To the NEC and all Group Chairmen & Secretaries

Dear all

## **VTTA Chairman**

When I took over the role of VTTA Chairman, my head was full of ideas on how I felt the organisation should be going in order to not only maintain its position in the sport of time trialling but to improve its status.

I gave myself three to five years to see if I could make a positive improvement in the VTTA. During that time there have been successes and disappointments, but I have always tried my best to help bring the VTTA into the 21<sup>st</sup> century. I thought the Forum was a great success. It started things rolling and has resulted in many improvements over the last few years. However, I was very disappointed with the response to the last attempt to hold another Forum, where I was going to take the opportunity to put some ideas to the Groups on some major changes that I thought we needed to be brave enough to address, but it was not to be.

I feel privileged to have been given the chance as Chairman to bring my ideas to the VTTA and also to have been involved with the many members who put so much time and effort into the Association. I now feel that the time is right for a new face to take the helm, and I will not be standing for re-election at the National AGM in February 2011.

I would like to thank everybody at all levels of the VTTA for the help and friendship given to me during my time as Chairman. I have had to make some difficult decisions but I have always kept to the rules.

A special thanks to my colleagues on the NEC and to Ann Butterworth who has felt like part of my family while she has been Secretary.

I wish you all the best for the future.

Regards

George
