**VETERANS TIME
TRIALS ASSOCIATION**

Founded 1943

THE VTТА - A SHORT CHRONICLE

E H Stevens September 1945

E H Stevens (initials were *de rigueur* in the past) established in the North London area in 1939 an organisation (indeed he was that organisation), by the name of Nor-O-Lon for the promotion of Veteran Time Trials and these he both ran, financed and developed until by his inspiration and enterprise there was formed, in the spring of 1943, the Veterans Time Trials Association with Mr Stevens as its first Secretary. The inaugural meeting was held at The Old Sal, Barnet, on Monday 7th March 1943 to which prominent veteran riders of the day were invited to attend and forty-five of whom did.

The VTТА, at its inception, visualised “a nation-wide organisation offering congenial membership and road competition for all over-40 cyclists, no matter where they may reside”.

It remained an all male organisation until 1971 when London Group finally managed to effect a change of rules which allowed applications from women to be accepted.

An early edition of the magazine contained the following proclamation:

“As we ‘grow up’ we discover that life is a series of revelations, each more attractive than the last. We call ourselves ‘Veterans’, but only the under 40s regard the word as meaning ‘has beens’. We know that the most

satisfying feature in life’s continuous approach to maturity is the stuff called experience and the wiser expertness that solidly emphasises the worthiness of achievement. Only the misguided folk who stop natural bodily exercise unwind from early middle age to decrepitude. The fit man blossoms as he takes on years.

One thing only we lose as we grow older – whip cord fleetness. But there still remains the competition, the club companionship and rivalry, the grand enjoyment of cycling and – The Game”.

By September 1944, membership was 157.

In June 1947 a ‘Special Luncheon’ was held which was attended by thirty people and the whole affair was paid for by the President, E H Stevens.

Much has changed since then. Membership rose rapidly in the post-war boom, and has steadied at around 3000 today.

- 2.9.6 At the end of each quarter the National Treasurer shall send to Group Treasurers a statement of all national subscriptions due from their group according to the National Online Membership System during the last quarter. 2.10 Categories of Life Membership

There are three types of Life membership: Life Membership; Honorary Life Membership; and Distinguished Life Membership.

Fifteen delegates and/or ex-officio members shall form a quorum.
- 2.11.7 Motions for the National Annual General Meeting can be submitted only by:
- (a) the NEC; and
 - (b) Groups – providing the motion has been agreed by a majority at the Group AGM or if the Group AGM falls after 21st November by the Group Committee if they so agree.
- Such motions must reach the National Secretary not later than 21st November of the respective year.

- 2.11.9 A special meeting may be called by the NEC or, alternatively, by the National Secretary on receiving a request signed by 25 members. All members entitled to attend shall receive 14 days' notice of the special meeting with a copy of the agenda stating the special business to be transacted.
- 2.12 Alterations to Rules and Regulations**
- 2.12.1 No alteration or addition to these Rules shall be made except with the consent of not less than two-thirds of the members present and voting at the AGM or at any special meeting for this purpose. - 3.2.3 Applications for standards may be made as follows:
Any number of attempts per season at all distances or times on one type of machine.
- 3.2.4 Members' applications and payments for Standards must be made online or by post prior to any event for which they subsequently claim a standard.
- 3.2.5 Each Group shall be allowed to determine its own standard ride entry fees. Payment of one fee does not cover two types of machine.
- 3.2.6 Only one award for a ride at each distance will be made during any one year, but there is no limit to the number of attempts that may be made.
- 3.2.7 Claims for Standards must be submitted to the Group Recorder at the end of the racing season or not later than 31st October. A rider must have a minimum of four medals (or such other number as a Group may agree) to qualify for a plaque in lieu.
- 3.2.8 Each VTTA Group may elect to have either Standard or Actual times engraved on Standard Medals/Plaques.
- 3.2.9 Once a rider has won a Standard Award, the rider must improve their previous best plus or minus against Age Standard in order to obtain another award in a later age group. However, a rider may elect not to count any rides done more than three years before if they have not received a Standard Award on that machine at that distance during that period.

3.3 Regulations for Age Records

- 3.3.1 Road record rides will be recognised only when achieved in events authorised by CTT or the SC, timed on watches complying with the requirements of those bodies and run in conformity with their regulations.

- 3.3.3 The VTTA also recognises Indoor and Outdoor Track records on solo bicycle and tandem bicycle at the following distances: 5, 10 and 25 miles; 1 hour; 5, 10, 20, 50 and 100 km. Records in the VTTA Handbook are as at 31st October of the previous year. Indoor track records must be set on a track (fixed wheel) bike. Outdoor track records may be set on a track (fixed wheel) bike or on a road/time trial bike.
- 3.3.4 A claimant for any records must be a paid-up member of the VTTA at the time of the ride.

- 3.3.5 No record will be considered if a better time or distance has already been achieved by a record holder of a greater age.
- 3.3.6 Claims for records will be for the period from 1st November to 31st October. Claims for group and national records should be submitted to Group Recorders as soon as possible so they can be entered to the Age Records system, where they can be viewed immediately by members. 3.4 Regulations for National Championships

- 3.4.1 National Championships will be promoted on behalf of the NEC at 10, 15, 25, 30, 50 and 100 miles, 12 hours and 24 hours. The dates of all National Championships will be published in the VTTA Handbook.
- 3.4.2 To be eligible for Championship awards, riders must be paid-up VTTA members at the closing date for entries. Riders who are aged 39, but who will be aged 40 by the day of the Championship, may apply to the National Membership Secretary for their membership to commence on their 40th birthday. If their application is accepted, they will be eligible for Championship awards.

- 3.4.5 Medals will be awarded to the first three male riders and to the first three female riders overall on Standard. The first on Standard will receive a gold medal. The second on Standard will receive a silver medal. The third on Standard will receive a bronze medal.
- 3.4.6 Club teams shall consist of three first-claim members of the same club. Group teams shall consist of three members of the same Group. In each case, the Team with the biggest cumulative plus on standard shall be the Championship Team and a medal will be awarded to each member of the team.
- 3.4.7 Tandem Championships will be run in conjunction with the solo Championships and the pair with the biggest plus on Standard will be the Tandem Champions and will receive VTTA gold medals.
- 3.4.8 All VTTA awards will be made regardless of the number of entries and irrespective of any prizes given by the promoting Group.

3.5 Regulations for the BAR Competition

Qualifying events must be Type A events approved by CTT or approved SC events.

- 3.5.1 A Best All Rounder competition is promoted annually by the VTTA and is open to all its members. Riders must be paid up members at the date of all their eligible rides. Eligible rides must be done in events authorised by CTT or SC and shall be over 25, 50 and 100 miles and 12 hours.

- 3.5.2 The closing date for eligible events to count will be 15th October.
- 3.5.3 The BAR competition will be based on the rider's cumulative plus from all four events. The rider's plus or minus times for 25, 50 and 100 miles will be calculated from the Standards Tables.

Each rider's 12 hour distance will be converted to a 'plus or minus time' equivalent to completing 200 miles using a Standards table for a 200 mile event that is based on the same principles used for the other Standards Tables.

The plus or minus times for the four events will be added together proportionately, i.e. the plus or minus time for 25 miles;

the plus or minus time for 50 miles divided by 2;

the plus or minus time for 100 miles divided by 4; and the equivalent 12 hour 200 miles plus or minus time divided by 10.

The rider with the greatest combined plus or minus will be the winner of the Best All Rounder Competition.

- 3.5.4 Claim forms, appropriately evidenced as required by the Group Recorder, must be sent to the Group Recorder for verification. The Group Recorder will then send the verified claim form to the National Recorder to arrive not later than 31st October of the current year.
- 3.5.5 BAR Certificates shall be presented to all riders completing the four distances. Tandem riders who complete all distances with the same partner are eligible for certificates, but not for any other awards. Medals will be awarded to the first three male riders and to the first three female riders overall on standard in the BAR. The first on standard will receive a gold medal. The second on standard will receive a silver medal. The third on standard will receive a bronze medal.
- 3.5.6 Club teams shall consist of three first-claim members of the same club. Group teams shall consist of six members of the same Group. Medals will be awarded to each member of the winning teams.

3.6 Regulations for the Three Distance Competition

- 3.6.1 A Three Distance Competition will be promoted annually over 25, 50 and 100 miles.
- 3.6.2 The Three Distance competition will be based on the rider's cumulative plus or minus from all three events.

Each rider's plus or minus times for 25, 50 and 100 miles will be calculated from the Standards Tables.

The plus or minus times for the three events will be added together proportionately, i.e. the plus or minus for 25 miles;

the plus or minus for 50 miles divided by 2 and

the plus or minus for 100 miles divided by 4.

The rider with the greatest combined plus or minus will be the winner of the Three Distance Competition.

3.6.3 All other conditions of qualification to this competition shall be those of the BAR Competition. Awards shall be the same as for the BAR Competition.

3.7 Regulations for the Short Distance Competition

3.7.1 A Short Distance Competition will be promoted annually over 10 and 25 miles and shall be twice over 10 and 25 miles, giving four events in total.

Each rider's plus or minus times for 10 and 25 miles will be calculated from the Standards Tables.

The plus or minus times for the four events will be added together proportionately, i.e.:

the plus or minus time for the fastest 10 multiplied by 2.5;

the plus or minus time for the fastest 25 multiplied by 1.0;

the plus or minus time for the second fastest 10 multiplied by 2.5; and

the plus or minus time for the second fastest 25 multiplied by 1.0.

The rider with the greatest combined plus or minus for the four events will be the winner of the Short Distance Competition.

3.7.2 All other conditions of qualification to this competition shall be those of the BAR Competition. Awards shall be the same as for the BAR Competition.

3.8 Entry to, and Claims for, the BAR, Three Distance and Short Distance Competitions

3.8.1 There are no entry fees for the BAR, the Three Distance and the Short Distance Competitions. Claims for one, two or all competitions must be made on the current National BAR, Three Distance and Short Distance Claim Form.

3.8.2 In the three season long competitions riders can only make solo claim and/or one tandem claim.

3.9 Meritorious Award

3.9.1 The C. W. Cooke trophy is awarded annually to the rider whose performances are considered by the NEC to be the most meritorious during the season. Nominations from Groups should be received by the National Secretary no later than 21st November.

3.10 Bricknell Memorial Award

3.10.1 This award was created to perpetuate the memory of former President Ted Bricknell and provides for the presentation of an annual prize, new each year, in recognition of outstanding services to the VTTA. Nominations from Groups should be received by the National Secretary no later than 21st November each, following which the NEC shall decide the name of the recipient.

3.11 Return of Trophies

3.11.1 Should there be a time when a trophy or trophies is/are no longer required for presentation (e.g. the demise of the VTTA or abandonment of events at specific distances) then all reasonable measures will be taken to return them to the original donors or their heirs. In the event that they cannot be traced they shall be offered to such cycling organisations as the NEC think fit.

VTTA STANDARDS EXPLAINED

Competitions for VTTA members are based on 'standards'. So what are they?

The Standards are effectively a handicapping system which takes into account a rider's age so even the oldest riders, some in their 80s and even 90s, can compete against "younger" veterans who are in their 40s and 50s. The handicapping system also allows men and women to compete against each other. They also cover riders on different machines - bikes, tandems and tricycles. The Standards system thus provides fair competition for all ages and both men and women.

The system works by setting a **standard time** for the distance, age and sex of the rider. For example:

- The standard time for a 40 year old man riding 10 miles is 25 minutes 50 seconds
- For a 70 year old man the standard for 10 miles is 29 minutes and 2 seconds
- For a 40 year old woman it is 28 minutes and 2 seconds
- And for a 70 year old woman, 31 minutes 24 seconds

You can see all the standard times for individuals riding solos, trikes, tandems or tandem trikes in tables at the back of this handbook or on the VTTA website.

Calculating your 'Plus' time

Many riders go faster than their standard time and the amount by which you beat your standard time is referred to as your **plus**. So if a 40 year old man completes 10 miles in 25 minutes exactly they will have beaten the standard by 50 seconds. This is referred to as a plus of 50 seconds. If a 70 year old man rides the same event in 28 minutes exactly, he will have beaten standard by 1 minute and 2 seconds. In this case the older rider has the greater **plus** and will have beaten the 40 year old **on standard**, despite going slower in real terms.

Thus your 'plus' is calculated by subtracting your standard time from your actual time (or distance in the case of 12 and 24 hour events)

(Riders do go slower than the standard and this will produce a **minus time**. There's no shame in getting a minus - it's quite common.)

Results on Standard

For veterans' events and competitions results are presented in order of performance **on standard** (actual times are reported as well). The **fastest veteran on standard** (or Best on Standard (BOS)) is the person with the biggest plus i.e. the person who beat their standard by the biggest margin.

So Standards provide VTTA members with a goal and motivation as they grow older and allow all members to compete against each other on a level playing field.

Historical Note: The Standards were first devised by EH Strevens in 1943. In 2011 and then in 2018, the VTTA convened a sub-committee to review the standards. We now have a database of over 100,000 performances by veterans in recent years, and the standards have been updated to reflect this latest performance data. While the base standard for a 40 year old man or woman is slightly arbitrary the annual increments thereafter are based on a statistical analysis of the actual age decline in performances. The standard tables are generated using a formula which includes, age, gender, distance, and type of machine. As a consequence standards can also be generated for non-standard distances or time durations.

The latest standard tables have been updated for the 2019 season with the aim of achieving as far as possible a level playing field for all VTTA members.

Claiming a Standard Award

Standard Awards may be claimed at the Standard distances and times (10, 15, 25, 30, 50, 100 miles and 12 and 24 hours).

To gain your Standard Award you have to improve on your previous best plus or minus for which you claimed a Standard Award. If you don't have a previous best at a particular distance you can claim your best plus or minus in the year to get you started. If you have not claimed an award at a time/distance for three seasons you can start again with your best performance in the current year.

Before you make any attempts at Standard Awards you should enter for your standards, either with your group recorder or on the website and pay the appropriate fee. A single entry covers you for any number of attempts at all standard distances. (Note, though, that some groups will accept claims and fees at the end of the season.)

To claim an award you must send a completed standards claim form to your Group Recorder together with the result sheets for the events in which you qualified, marking your name and time.

If your attempt is successful you will receive an engraved medal. If you get at least four medals (or such a number as a group may agree) in a season you can have an engraved plaque instead.

Your new best plus or minus becomes the target you need to beat if you want to win another Standard Award in subsequent years. Because the age standards give you an extra allowance as you get older this makes beating your previous plus an achievable target. However, you can elect to ignore any rides done more than three seasons ago.

The above is a simple summary of Standard Awards. The full rules are given in Regulation 3.2 of the VTTA Regulations.

Note on the Standard Tables

Whilst the standards tables are not included within the regulations their basis and inter-relationships along with their review and modification process is noted here in order that it is formally documented.

Standards Tables – The Standard tables may be revised at intervals to be determined by the NEC. The last revision was introduced for the 2019 season. The men's tables are based on a formula derived from a large database of men's veteran's results. The women's tables are determined from the database so as to produce a percentage adjustment to the men's standards. The men's trike standards are based on age records due the limited results information so as to produce a percentage adjustment to the men's solo standards. Tandem standards are calculated as an adjustment to the two combined individual standards. These adjustment factors are currently as follows:

- a) The standards for women are set at 90.06% of the standard for men
- b) Trike standards are set at 85.50% of solo standards
- c) Tandem standards are the addition of the two individual standards divided by 2 and multiplied by 96.00% of time for fixed distance events and 104% of distance for fixed time events.

Note: The standards adjustments for women, trikes, tandems and tandem trikes are actually a percentage adjustment of speed that then adjusts the relevant standard time (or distance).

NATIONAL COMPETITIONS EXPLAINED

There are three National Competitions held each season. During the season you have to complete the necessary qualifying rides for each competition. You can have as many attempts as you wish at any distance (or times for 12 and 24 hours) but they must be in open events (those listed on the CTT website or those under Scottish Cycling jurisdiction). At the end of the season you submit a claim form to your Group Recorder setting out the best plus times you have achieved at each of the relevant distances or times. A national result of all qualifying riders is produced – see the Championship Results pages of the website. Most groups also run their own local competitions based on the same criteria.

Best All Rounder (BAR) Competition

The BAR Competition is an annual season long competition in which competitors have to complete events at 25 miles, 50 miles, 100 miles and 12 hours. Rider's performance is taken as their Best Plus performance at each of these distances. (Note: the "plus time" for the 12 hour is converted, using a conversion factor, into an equivalent 200 mile plus time).

The resulting plus times are then weighted to ensure a balance between the various events. All qualifying riders are then listed in order of their aggregate weighted plusses with the Champion having the highest total.

It sounds complicated but basically all you have to do is ride as fast as you can! The competition calculations just allow riders of different ages and both men and women to compete on a level playing field (which is what standard times and plusses are all about).

Three Distance Competition

This works the same way as the BAR competition but riders only have to complete rides at 25 miles, 50 miles and 100 miles. Rider's performance is again taken as their Best Plus performance at each of these distances. All qualifying riders are then listed in order of their aggregate weighted plusses with the Champion having the highest total.

Short Distance Competition

Again the same principles apply as for the BAR and 3 Distance but for the Short Distance Competition competitors must complete two rides at 10 miles and two rides at 25 miles. Rider's performance is again taken as their Best Plus performance in the four events. All qualifying riders are then listed in order of their aggregate weighted plusses with the Champion having the highest total.
