Season Long Competitions

The table below summarises the winners of the season long competitions. We had 1 finisher in the 4 Distance BAR, down from 2 in 2020, 2019 and 2018. There were 8 finishers in the 3 Distance BAR, up on previous years, most likely due to automatic enrollment. The Short Distance BAR had 22 finishers, a significant increase from prior years and again due to the automatic enrollment.
