

## Result of second 25 mile Zwift race

A very pleasing twenty plus riders (twelve VTTA) entered the event with twenty finishing which included nine VTTA members. They represented Scotland, East Anglian, North, Manchester & North West, East Midlands, West, Wessex and Yorkshire areas. This second run of the twenty five miler was again on the Itsa Party but was hosted by Chris Lawrence whose Cleveland Wheelers ten mile weekly event was generously expanded to allow us to do a second shot at the cherry for all three V-BAR events. Overall winner was Karl Norris (West) who knocked nine seconds off his previous time. Newcomer Will Hayes ( East Midlands ) was next VTTA member three and a half mins back with Chris Hopkinson (Wessex) taking third in a smidgeon over the hour. Chris Lawrence (North) was next followed by James Rees (Manchester & NW), Angela Hannon-Flaherty (Yorkshire) knocking over a min off from last time, two more newcomers, Steve Shore ( East Anglian ) and Paul Winchcombe ( West ) and Liz Ball (Scotland).

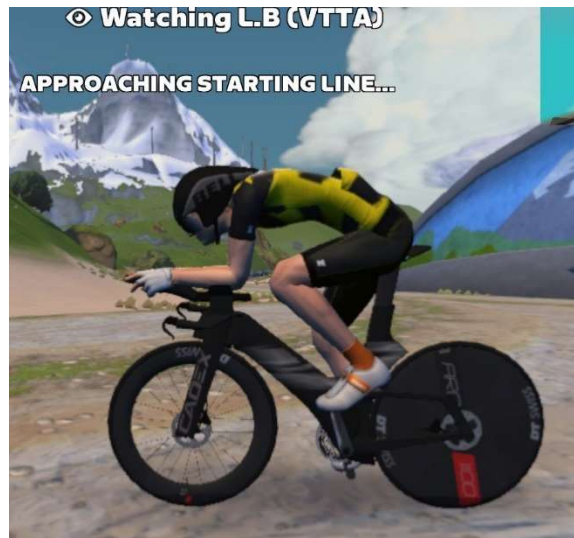

On age adjusted times Liz Ball came out on top in a nifty 53.07 with Steven Shore and Karl Norris both within 40 secs of her.

We have now had eighteen members riding at least one of these longer events.
