33.	W. S. LEWIS.	50	195 $\frac{5}{8}$	10.9.44.	SWINDON WHLS.

It is with considerable satisfaction that the Association publish the Basic List of best known performances of the past which will rank as Veterans Records. Every effort over a number of years has been made to collect the evidence and the Schedule is now closed, a certificate being awarded to the riders named. The Association will now consider performances put up after the 1st of January 1945 by riders who think they have beaten existing times or distance at their relative age.
