

AGM Report – The Veteran contact Brian Griffiths.

News wise I have had a bit of a lean time this year so have chosen, as usual, to fill my reports up with various items that I have considered might interest the general membership. I have been told that this meets with The Veteran editor's approval so I hope our members are in agreement too.

I am happy to continue in this role, which might now take on a new significance if we are to be without the privilege of a quarterly West Vet to keep us informed of group news.
