

WestVet Editor Report - 1 October 2019 to 30 September 2020

*Just completed almost 2 years as Editor of The WestVet and about to distribute my 8th issue.

*Pleased with the volume and quality of articles that have been forwarded by members. Please keep sending in both photos and content to the editor!

*Two years ago, I introduced a new look & feel for The WestVet and this has been well received. Majority but not all feedback on WestVet content has been positive.

*Continued to use Busy Fingers Limited to print the copies and they have been very professional & helpful, as well as good value for money.

*Subject to approval by committee and membership I plan to remain as editor for a further year.
